

## Shelley's Visual Imagination

Filesize: 4.91 MB

### Reviews

*Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).*

Cambridge University Press. Hardback. Book Condition: new. BRAND NEW, Shelley's Visual Imagination, Nancy Moore Goslee, Shelley's drafts and notebooks, which have recently been published for the first time, are very revealing about the creative processes behind his poems, and show - through illustrations and doodles - an unexpectedly vivid visual imagination which contributed greatly to the effect of his poetry. Shelley's Visual Imagination analyzes both verbal script and visual sketches in his manuscripts to interpret the lively personifications of concepts such as 'Liberty', 'Anarchy', or 'Life' in his completed poems. Challenging the persistent assumption that Shelley's poetry in particular, and Romantic poetry more generally, reject the visual for expressive voice or music, this first full-length study of the drafts and notebooks combines criticism with a focus upon bibliographic codes and iconic pages. The product of years of close examination of these remarkable texts, this much-anticipated book will be of great value for all students of Shelley and all those interested in the Romantic process of creation.
