Brand New Book ***** Print on Demand *****.Excerpt from Letters From the Woods: Editorial Correspondence, Random Rhymes, From 20 to 70, Annual Addresses An explanation is sometimes equivalent to an apology, and therefore not out of place in this opening page. The original intention was the printing of a few copies of this little book for private distribution only. But through an outside suggestion (we must confess not requiring much pressure), a larger edition was decided upon. These sketches, the work of moments of leisure from confining business occupations, and from larger relief during a few day s sojourn in the outer world, where Nature in comparative solitude, sublime and beautiful in its grand adornments, invites the admiring and reverent gaze - were written only for a timely use, to be buried with it. Letters from the Woods are portrayals of what the Adirondacks were a third of a century ago, when that now frequented and greatly traveled section of our State was almost a ferra incognita, to be reached only by long foot tramps. All this has been wonderfully changed through the agency of steam transit and the speed...
