Typically it is ascribed as a power of the mind. But as Embrosewyn explains, based upon his sixty years of personal experience, the actual physical force that moves and influences objects emanates from a person's auric field. It initiates with a mental thought, but the secret to the power is in your aura! Telekinesis is the second book in the Psychic Awakening series by popular paranormal writer Embrosewyn Tazkuvel. The series was specifically created to offer short, inexpensive, information filled handbooks to help you quickly learn and develop specific psychic and paranormal abilities. Clearly written, Telekinesis is filled with step-by-step practice exercises and training techniques proven to help you unlock this formidable paranormal ability. Spiced with riveting accounts of real-life psychic experiences and paranormal adventures, you'll be entertained while you learn. But along the way you will begin to unleash the potent power of Telekinesis in your own life!
