Career Press. Paperback. Book Condition: New. Paperback. 260 pages. Dimensions: 9.0in. x 5.8in. x 0.6in. *Becoming Psychic* provides a lively dialogue between a clinical psychologist who believes that he has had a number of psychic (or paranormal) experiences and a research psychologist and parapsychologist who attempts to put these reports in a scientific framework. The anecdotes make for fascinating reading and the scientific responses are relayed in a reader-friendly manner. Readers who have had similar experiences can begin to understand their own glimpses of future events, remarkable recoveries from major or minor illnesses, or knowledge of what is happening to a loved one hundreds of miles away. Paul Von Ward, author of *Our Solarian Legacy*, writes in the Introduction: *Becoming Psychic* is a book for everyone who seeks meaning among the non-ordinary experiences of life. Telepathy, clairvoyance, psychokinesis, precognition, mindbody healing, prayer, and synchronicity are all illustrated in personal terms by Dr. Kierulff and placed in scientific context by Stanley Krippner-a successful merging of the perspectives of the experiencer and the scientist. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
