Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, Reignite: Seeing God Rekindle Life and Purpose in Your Church, Ian Parkinson, Ian Parkinson shares his experience of partnering with God to transform two very different local churches. He weaves stories from his own congregations, and draws on his experience of ministering in an inherited traditional but declining church, revealing what he has done to turn them around. The transformation of such churches is critical: there are relational links to build on within communities; there are resources in place; and most importantly, God desires to renew his people in their sense of identity, vision, calling and anointing, even when they lose their way. In order for this to happen, there need to be leaders who are enthused and equipped to share in God's vision to be agents of change in the church for the sake of the world. This is transformational leadership. Such leadership comes about when we are gripped by a compelling vision of how God intends His Church to be, and a passion to see it move it forwards. Ian Parkinson begins with a brief overview of the true calling and identity of the Church, before examining the catalytic role of leaders in establishing practices and habits which enable the congregation to see vision become reality.
