Next Level Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Had enough with being stalled? Sick and tired of avoiding things that feel overwhelming? Me too! Here's a secret - most entrepreneurs and business owners are overworked, overwhelmed and stalled for ONE simple reason. They succeeded. and now they've out-grown their Know How. There are plenty of books on increasing your productivity by using kitchen timers and building teams by having people fall out of trees into each other's arms. Large actions and small ones that are all missing the point: We wake each morning to new possibilities, and don't know how to grab them, leverage them, soar with them. It's time for a Breakthrough approach. If you want to take your inborn gifts and your learned experiences and expertise and use them to make lucrative results and make a difference in your life and the lives of other people you need to make Breakthroughs - in thought and in action, individually and with your teams. This book gives you simple, practical, proven techniques and systems that will solve your overwhelm in 5 Core Systems - the key strategies every entrepreneur needs to grow themselves and their business to the next level. If that's you, this book will help you set your Vision Goals in life and in business, and then Align Your Efforts to achieve them in ways that have you leaping out of bed looking forward to what you'll create in the world. More than just a tips book, each of the ideas is a Building Block you can put to immediate use. In addition to information that will bend your thinking and shift habits, you'll find...
