

## Surgery of the Rectum: And Pelvis (Classic Reprint) (Paperback)

Filesize: 6.79 MB

### ***Reviews***

*Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.*

*(Prof. Damon Kautzer III)*

## **SURGERY OF THE RECTUM: AND PELVIS (CLASSIC REPRINT) (PAPERBACK)**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Surgery of the Rectum: And Pelvis In preparing the following pages for publication, I have endeavored to condense into convenient form, for both student and practitioner, as great an amount as possible of practical information concerning diseases of the rectum and anus. The advances which have been made during the past few years In this special branch of surgery have been very great. The whole pathology of malignant disease has been rewritten; and the close relationship of the so-called benign polypoid growths to epithelial cancer has been worked out after careful study with the microscope. The operation of excision of cancerous growths in the lower part of the rectum has again become a legitimate surgical procedure, and what is better, its range of applicability has been definitely determined. The advances in abdominal surgery, for which the present century will always be famous, have also had a bearing on diseases of the rectum, and the operation of excision of cancer of the upper part of the rectum and the sigmoid flexure, through an incision made in the abdominal wall, has brought within treatment a class of cases formerly beyond the reach of art. New methods of treatment of benign stricture have been devised as a substitute for colotomy. New methods of palliation in benign and malignant stricture have been devised as substitutes for the repulsive operation of colotomy, and that operation bids fair in the immediate future to assume deservedly a place of less prominence than it has occupied in the past. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an...
