Brand New Book ***** Print on Demand *****.Excerpt from English Into French: Five Thousand English Locutions, Rendered Into Idiomatic French It would be interesting to know, if it were possible to discover, how many of the uncensussed thousands of English-speaking men and women throughout the world who can read French with pleasure and with ease, can speak and write idiomatic French with fluency and correctness. The reasonable presumption is that the number is relatively small. It would be extraordinary if it were otherwise. For it is given to very few of us to live long enough in France to make of French a second language as every educated foreigner makes of France a second country, or to be able to devote to the study of French sufficient time to master the difficulties, the intricacies, and the genius of the language, with the aid of the imperfect instruments available for the purpose. Bearing in mind the fundamental fact that English-speaking people think in English, and confining attention solely to the speaking and writing by them of idiomatic French, it must be said that existing English-French...
