Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Winter was the time when they could not go out and hunt. So was the rainy season, especially they were living in rain forests and tropical areas. So if they found out some way in which they could preserve food, on which they and their tribe members could survive, this would make all the difference between life and death. And so through a lot of experimentation, the ideas of pickles, chutneys, jams, jellies, preserves, conserves, spiced fruit and other ways of preserving food, as well as fruit and vegetables came into existence. Today, millenniums later, there is absolutely no fruit and vegetable, which has not been turned into a pickle, chutney, jam, jelly or conserve, by some cook. Even meat in the form of venison and boar has been pickled in the east, down the ages, as well as eggs. Too many eggs, and you are...
