

## An Introduction to Daoist Philosophies (Paperback)

Filesize: 8.36 MB

### Reviews

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## AN INTRODUCTION TO DAOIST PHILOSOPHIES (PAPERBACK)

[DOWNLOAD PDF](#)

Columbia University Press, United States, 2013. Paperback. Book Condition: New. 218 x 152 mm. Language: English . Brand New Book. Steve Coutinho explores in detail the fundamental concepts of Daoist thought as represented in three early texts: the Laozi, the Zhuangzi, and the Liezi. Readers interested in philosophy yet unfamiliar with Daoism will gain a comprehensive understanding of these works from this analysis, and readers fascinated by ancient China who also wish to grasp its philosophical foundations will appreciate the clarity and depth of Coutinho s explanations. Coutinho writes a volume for all readers, whether or not they have a background in philosophy or Chinese studies. A work of comparative philosophy, this volume also integrates the concepts and methods of contemporary philosophical discourse into a discussion of early Chinese thought. The resulting dialogue relates ancient Chinese thought to contemporary philosophical issues and uses modern Western ideas and approaches to throw new interpretive light on classical texts. Rather than function as historical curiosities, these works act as living philosophies in conversation with contemporary thought and experience. Coutinho respects the multiplicity of Daoist philosophies while also revealing a distinctive philosophical sensibility, and he provides clear explanations of these complex texts without resorting to oversimplification.
