Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Here s just a few to the hundreds of trivia bits you ll find in this fun volume 3: Two out of three people sleep on their sides, and they re about equally divided as to WHICH side. Of the remainder, slightly more sleep on their stomachs than sleep on their backs. Forty percent of American adults cannot fill out a bank deposit slip correctly. A survey finds that a quarter of all people who take a briefcase or something similar to work with them have got SOMETHING in it for self-defense. Paranormal experts say people reach the peak of their ability to see ghosts when they re 7 years old. Someone on Earth reports seeing a UFO every three minutes. In the U.S., reported sightings are most likely to occur in July, at 9 p.m. or 3 a.m. Someone within 200 miles of your town claims to have had direct contact with a monster, ghost or other unexplainable being. As many as nine out of ten people are right-handed, and the word for that side, right, is derived from a variety of sources, all of which suggest strength. Left, on the other hand, comes from the Old English, lyft, for useless, weak. The average New York City household generates 6.2 pounds of garbage each day. Every day, between 12,000 and 14,000 tons of solid waste are disposed at the Fresh Kills Landfill in Staten Island, New York. The average human scalp has 100,000 hairs. As much as six percent of the world s population may experience sleep paralysis, the inability to move and speak for several minutes after awakening. Tide has 70 percent of...
