Dear Mr. Bad-Debt Buyer is a truthful open-letter from artist, N. A. Nor; written to her harassing bad-debt collector. After years of harassment, this starving artist finally decides to let junk-debt buyers know how she feels about them. Who is really winning this battle? This book will take you on a journey into understanding some of the realities of debtors and bad-debt buyers. Realities such as how many of the debtors had never missed a payment until unforeseen circumstances had interfered. Then, after the lenders quit trying to retrieve the debts that the debtors could no longer pay, bad-debt buyers came along and bought the debts for pennies on the dollar. But before you begin to feel sorry for these collectors not being able to collect their money, keep in mind that these collectors were not in financial-harm s way until they placed themselves there. They were never lenders, just takers.
