

# An Introduction to Sustainability: Environmental, Social and Personal Perspectives

By Martin Mulligan

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, An Introduction to Sustainability: Environmental, Social and Personal Perspectives, Martin Mulligan, An Introduction to Sustainability provides students with a comprehensive overview of the key concepts and ideas which are encompassed within the growing field of sustainability. The book teases out the diverse but intersecting domains of sustainability and emphasises strategies for action. Aimed at those studying the subject for the first time, it is unique in giving students from different disciplinary backgrounds a coherent framework and set of core principles for applying broad sustainability principles within their personal and professional lives. These include: working to improve equality within and across generations, moving from consumerism to quality of life goals and respecting diversity in both nature and culture. Areas of emerging importance such as the economics of happiness and wellbeing stand alongside core topics including: \* Energy and society \* Consumption and consumerism \* Risk and resilience \* Waste, water and land. Key challenges and applications are explored through international case studies and each chapter includes a thematic essay drawing on diverse literature to provide an integrated introduction to fundamental issues. Launched with the brand-new Routledge Sustainability Hub, the book's companion...
