HarperOne. 1 Paperback(s), 2007. soft. Book Condition: New. Political analyst and commentator Tod Lindberg goes beyond punditry to address how Jesus's words and teachings once a radical set of ideas have come to define our concept of government and our vision for society. Lindberg draws a crucial distinction between Christ's religious and political teachings, presenting a detailed discussion of the world transformation that Jesus sought through his words, stories, and sayings. Through close reading of the Sermon on the Mount and Jesus's parables, Lindberg offers a sophisticated portrait of Jesus as a teacher of unique insight and perception, one whose political views have transcended time and become essential to the way everyone lives in our society. "Whether you're a Republican, Democrat, independent, or even an agnostic, you will appreciate this book for its fairness and thoughtfulness." Paul Kengor 272.
