

## Silver and Gold (Classic Reprint) (Paperback)

Filesize: 5.05 MB

### ***Reviews***

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Silver and Gold I agree with you in thinking that the depreciation of Silver and the unsettled state of the market for that metal contribute largely to the present condition of trade; for not only does the low price of Silver inflict heavy losses on the Government of India and upon all who have fixed incomes payable in Silver, but the unsettled state of the market imparts, through the unusual fluctuation of the Exchanges, a character of speculation if not (as Mr. Stanhope says in a speech lately delivered) of gambling, to the business of all those in Gold-using countries who have dealings with the dwellers in countries that use Silver: they can make no just estimate of what they have to receive for their goods; the thing that they do receive is for them a commodity, just as wool is, or bark, or silk, or tea - neither more nor less. I have been answered as to this point, that the merchant does know what he has to receive; for remittances being made in bills, it is all a matter of exchange, which must of necessity be subject to fluctuations. But I reply that it is precisely because it is a matter of exchange that my statement is correct. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
