The spirit of the renaissance is upon us - the world is struggling for a re-birth of ideas, and old standards are being weighed. It is not, therefore, surprising that motion picture producers should have been called upon to establish new standards for their art. Speaking tritely, the challenge of the public has been to produce bigger and better pictures. Thus it is, in a spirit of accepting this compelling challenge for a higher standard, which has steadily grown during the past few years, that the motion picture producers, as a whole, have striven first to establish and then to meet new standards from every angle of their business. The picture that is to meet with universal success henceforth, must attract and completely satisfy - not the...
