Random House USA Inc, United States, 2002. Paperback. Book Condition: New. New edition. 202 x 132 mm. Language: English . Brand New Book. Generally considered to be London s greatest achievement, The Call of the Wild brought him international acclaim when it was published in 1903. His story of the dog Buck, who learns to survive in the bleak Yukon wilderness, is viewed by many as his symbolic autobiography. White Fang (1906), which London conceived as a complete antithesis and companion piece to The Call of the Wild, is the tale of an abused wolf-dog tamed by exposure to civilization. Also included in this volume is To Build a Fire, a marvelously desolate short story set in the Klondike, but containing all the elements of a classic Greek tragedy.
