*This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.  
(Miss Vernie Schimmel)*

## LESLIE FIEDLER: CRITIC, PROVOCATEUR, POP CULTURE GURU

McFarland & Co Inc. Paperback. Book Condition: new. BRAND NEW, Leslie Fiedler: Critic, Provocateur, Pop Culture Guru, Prem Kumari Srivastava, This book brings to the fore the one-off American culturalist, Leslie Fiedler, who de-territorialised literary and cultural studies. Not to be trussed by national, linguistic, or disciplinary boundaries and not to be cowed down by the redacted geographies of American texts, which excluded more than included, Fiedler stood for the principles of the Sanskrit paradigm of Vasudheva Kutumbkam which forms the fulcrum of Hindu Upanishadic philosophy. True to its sublime thought (To discriminate, one is a relative; the other a stranger, can only be the deed of small men, and for those who live magnanimously the entire world constitutes but a family), this tall man rewrote America's exceptional dream exceptionally: one of inclusion and innovation without getting into insider-outsider dichotomies. The study of sva (self) and para (other) is so unique to Indian culture that one understands why Fiedler, the Jew, always studied himself and the Jew in relation to others. The metaphoric and symbolic Auslander, who in his literary, cultural, anthropological and socio-political sojourns, in America and outside, steered clear from the oft-walked beaten path and took the road not taken by many, Fiedler can only walk ahead, grudgingly followed by many. Perambulating the academic boulevard for 5 decades, one synonymous with incendiary revelations and provocative pronouncements, still scandalising the academic elitists and delighting the students across the world even almost a decade after his physical death, Fiedler epitomises all of a modern day pedagogue and scholar critic of today. Leslie Fiedler: Critic, Provocateur, Pop Culture Critic celebrates the myriad dimensions of the kaleidoscopic Fiedler, who while celebrating difference and refashioning the canon, is one without margins and beyond borders! A Guru that every disciple would wish to have,...
