If constitutes a digest and interpretation of facts gathered for the use of the Committee on Reorganization of the Secondary School and the Definition of the Unit of the North Central Association of Colleges and Secondary Schools. To make the significance of the facts and their interpretation more apparent than might otherwise be the case, it is advisable to rehearse here very briefly the history of this committee and to state the relation of its modus operandi, about to be described, to that of bodies and agencies that have previously had to do with the definition of units. On motion of the North Central Association at its...
