Brand New Book ***** Print on Demand *****.The fact that the politicians brought to power by the Ukrainian Maidan revolutions turned out to be clearly anti-democratic, fully reliant on advantages of the moment stolen from opponents on the square, and not ready to compromise or stick to agreements made with opponents, is both the fault and a generic trait of the Maidan revolutions. It is this fact that eventually became the key factor in the collapse of the Ukrainian state. Indeed, if we imagine that the February 21 agreements between the opposition and Yanukovich had been implemented, there would not have been the referendum in Crimea, nor the Odessa massacre, nor the referendum in the Donbass, nor the bloody civil war, and most likely somebody other than Yanukovich would have become President of Ukraine.
