Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You wont sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

Phoenix Yard Books. Paperback. Book Condition: new. BRAND NEW, Freight Train (UK ed), Donald Crews, Red guard's van at the back. Orange petrol tanker next. Yellow grain hopper. A perfect book for introducing very young children to different colours and the concept of colour merging. The freight train moves along through tunnels, past cities, over bridges, in darkness and in daylight with its assorted multi-coloured cargo. As the train goes faster and faster the colours of the different trucks merge, until finally the whole train disappears. Widely considered a modern classic, Freight Train by Donald Crews was first published in 1978 and has sold over a million copies worldwide. THE AUTHOR SAYS. Perfect. I didn't plan this, but I couldn't be more pleased. The images, words, and actions work as I had hoped. Not too long, not too short, just right. - REVIEWS - "You don't have to like trains to love this simple and witty book. Trundling down the track goes a typical freight train, made beautiful by its bright colours, from the red guard's van through to the black tender and steam engine. Bold and clear, the colours stand out, until the train gathers speed and they are all whirled together as it hurtles through tunnels, over bridges, through night and day until, as trains do, it disappears. Nothing is said, nothing needs to be said; it's just a very satisfying experience. And a good..."
