THE LOST ROAD: AND OTHER WRITINGS (PAPERBACK)

[DOWNLOAD](#)

HarperCollins Publishers, United Kingdom, 2011. Paperback. Book Condition: New. New ed.. 194 x 128 mm. Language: English . Brand New Book. The fifth volume of the History of Middle-earth, containing the early myths and legends which led to the writing of Tolkien's epic tale of war, *The Silmarillion*. At the end of 1937, J R Tolkien reluctantly set aside his work on the myths and heroic legends of Valinor and Middle-earth and began *The Lord of the Rings*. This fifth volume of *The History of Middle-earth* completes the examination of his writing up to that time. Later forms of *The Annals of Valinor* and *The Annals of Beleriand* had been composed, *The Silmarillion* was nearing completion in a greatly amplified form, and a new Map had been made. The legend of the Downfall of Numenor had entered the work, including those central ideas: the World Made Round and the Straight Path into the vanished West. Closely associated with this was the abandoned time-travel story *The Lost Road*, linking the world of Numenor and Middle-earth with the legends of many other times and peoples. Also included in this volume is the *The Lhammas*, an essay on the complex languages and dialects of Middle-earth, and an etymological dictionary containing an extensive account of Elvish vocabularies.
