

The Road to 2084 (Paperback)

By Val Bakh

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Hidden behind the ominous Iron Curtain, the Soviet Union had been defying the rest of the world for the most part of the 20th century. The monster seemed to thrive on war: born out of World War I, the communist regime not only survived World War II but grew stronger and swallowed half of Europe into its domain. Apart from occasional dark rumours, no one knew what life was really like on the other side of the Curtain. Despite all the efforts to topple the Evil Empire, even the most optimistic observers never expected to actually win that hopeless battle. And just when it seemed the existing order of things would stay forever, the Soviet Union suddenly collapsed on its own, taking everyone by surprise. How and why did that happen? And now, with the equilibrium of fear gone, in which direction will the new, unipolar world move? The Road to 2084 is an attempt to answer the first question and to reflect on the second. The Marxist theory of historical materialism served as a foundation for the...
